Motion was made by Elaine LaChappelle, seconded by Lyn Cole Smith, to accept the minutes of May 17, 2016. Passed Unanimously.

Bid Packages were passed out for review and discussed by committee members. It was noted that a recommendation needs to be made to the Board of Selectmen for their approval on what bid package meets our needs. The committee decided to table the shutter project at present due to costs. We will revisit this in the future.

Motion was made by Allan Walker, seconded by Elaine LaChappelle that the chairperson will check out three recommendations from Paul Pribble's clients on similar projects. If references check out, we will recommend Paul Pribble to the Board of Selectmen to fix the windows per the bid for \$18,680.00. Passed unanimously.

Myra will email everyone after she checks out references to get everyone's vote on this.

Rodent problem was discussed. Appears to be chipmunk holes around the foundation. Myra will try using smelly soap in the holes to see if this deters the rodents.

Discussion was held on docenting the school house during the month of August. Elaine mentioned that she would be at the Red White Schoolhouse on August 7 and if anyone would like to attend, please do.

Motion was made by Elaine LaChappelle, seconded by Lyn Cole Smith to adjourn at 4:40pm. Passed Unanimously.
